

Fabric Cracker Crown

Print 2 Copies

Bb

- i) Copy & tape 2 pattern pieces together and trace onto heavy weight fusible stabilizer
- ii) cut out pattern and iron to wrong side of one fabric
- iii) with fusible web face down, secure 10" twill ties (x2) on the bottom edges of the printed side of the fabric, long tails facing inwards
- iv) place 2nd fabric on top, right sides together, trim both 1/4" from stabilizer pattern piece
- v) sew around pattern as close to the edge as possible, leaving a 2" gap
- vi) trim carefully & closely to the stitch line
- vii) turn right sides out, press and top-stitch
